The Brandreth Pills, as a general family medicine, especially in a country so subject to sudden changes of temperature as this, their value is incalculable. By having the Brandreth Pills always on hand, should a sudden attack of sickness take place, they can be given at once, and will often have effected a cure before the physician could have arrived.

In cholic and inflammation of the bowels, these Pills will at once relieve, and perseverance in their use, according to their directions, will surely do all that medicine can do, to restore the health of the patient. In all cases of indigestion, Worms, Asthma, Diseases

To insure the full benefit of these celebrated Pills, they should be kept in the house, so that, upon the first commencement of sickness, they may at once be resorted to. One dose then is better than a dozen after
